5.00 EUR

50 G

The Apix® Propoli sweets combine the antioxidant action of Grapefruit seeds with the well-known qualities of Propolis.

Available in an orange flavour, enriched with the virtues of Rose hip, and in a Balsamic flavour, exploiting the balsamic qualities of Mint, Thyme and Eucalyptus.

Apix® Propoli sweets are individually wrapped for maximum hygiene, contain no sugar and are sweetened with natural sweeteners such as isomalt, maltitol syrup and steviol glycosides. Moreover they contain no colouring agents and are gluten-free.

WHAT THEY CONTAIN

Orange flavour. Ingredients: sweeteners: isomalt, maltitol syrup, steviol glycosides; acidifier: citric acid; Propolis dry extract (0.5%); Rose hip extract (0.5%), Grapefruit seeds extract (0.3%); flavourings.
