

Apix Sedigola Spray Gola Forte

10.00 EUR

30 ML

Apix® Sedigola Spray gola forte is formulated to protect and hydrate the oropharyngeal mucosa, alleviating the sensation of pain in case of sore throat, pharyngitis and tonsillitis.

Apix® Sedigola Spray gola forte contains Propolis, Astragal, Hedge mustard and Hyaluronic Acid that contribute to form a mucoadhesive film that protects the irritated mucosa.

Honey has a soothing effect on the mucosa, while the Sage and Grapefruit extracts and the Mint, Eucalyptus and Cinnamon essential oils give the product a particular refreshing effect.

It can be used as a preventive treatment for people who are exposed to the cold, smoke, smog and dust.

Its particular alcohol-free formula makes it suitable also for children over 3 years.

HOW TO USE IT

Children aged from 3 to 6 years: spray the solution in the mouth once or twice; repeat up to twice a day.

Adults and children over 6 years: spray the solution in the mouth between 2 and 4 times; repeat up to 4 times a day, as required.

WHAT IT CONTAINS

Honey, water, Propolis resin titrated extract, Grapefruit seeds glyceric extract, Hedge mustard tops with flowers extract, Astragal root extract titrated, Sage leaves extract titrated, Hyaluronic acid, Eucalyptus leaves essential oil, Peppermint leaves essential oil, Cinnamon bark essential oil, citric acid, preservative: potassium sorbate.

NOTES
