

# [[:it]]BioKap Nutricolor Crema Balsamo Capillare[:en]BioKap Nutricolor Conditioner[::]

11.00 EUR

200 ML

It reinforces the fibre of the hair, making it soft and voluminous. Due to its high content of unsaturated fatty acids and vitamin E, Argan oil protects, restores and leaves brittle and fragile hair shiny. The essential oils of rosemary and eucalyptus have a toning effect on the scalp. Willow extract extends the life of the colour by protecting hair from UV radiation.

## WHEN TO USE IT

It is a specific conditioner for dyed and bleached and permed hair. Particularly suitable for thin and brittle hair, from which it can help to remove static electricity and knots, leaving it soft and easy to comb.

## HOW TO USE IT

Apply after shampooing onto clean, wet hair, spreading it evenly over the entire length of the hair using a wide tooth comb. Leave on for at least two minutes and rinse thoroughly.

## WHAT IT CONTAINS

It contains Argan oil, essential oils of rosemary and eucalyptus and willow extract

## NOTES

Without Parabens, SLS, Silicones and PEG. Nickel tested. Dermatologically tested  
Read the instructions on the package.
