&NBSP;EUR

140 ML

Formulation with no Paraphenylenediamines.

The exclusive formula of Biokap Nutricolor Delicato Hair Dye, with vegetable ingredients and high skin tolerability, nourishes and repairs hair while dyeing it and covers grey hair perfectly. With TRICOREPAIR, a complex with Rice proteins, Willow derivative and fruit lipophilic acids. Enriched with Argan oil from organic farming, it nourishes the hair and makes it softer and shinier.

WHEN TO USE IT

To cover grey hair perfectly, right from the first application and for a long-lasting colour.

HOW TO USE IT

From today, using Biokap Nutricolor colours is even more practical: just insert the Nutrifix bottle in the hole outlined on the back of the packet and wear the disposable protective cape supplied. Then mix the content of the colour tube following the instructions given in the relative leaflet.

Choose the shade according to the quantity of grey hair, following the instructions on the packet.

WHAT IT CONTAINS

It contains TRICOREPAIR, a complex with Rice proteins with a restructuring action, Willow derivative with colour protective action and fruit lipophilic acids that take care of the scalp during the application of the dye. Thanks to the high content of unsaturated fatty acids and vitamin E, the Argan oil protects, restructures and makes fragile and brittle hair shiny.

NOTES

14 shades.

Without Ammonia, Resorcin, Parabens and para-Phenylenediamine*. Fragrance free. Nickel tested.

*Before using the product, carefully read the instructions on the package. Always perform a sensitivity test 48 hours before each application.
