

EnerPlus Adulti

20.00 EUR

15 X 10 ML SACHETS

EnerPlus Adulti is a supplement based on FruttOligolisato® and plant extracts with a tonic effect such as Maté and Rodiola, useful in cases of physical or mental tiredness. Rodiola also contributes to normal mood tone while Ginkgo, the oldest tree in the world, helps the memory and cognitive functions. Honey and Royal Jelly complete the product.

WHEN TO USE IT

Useful when studying, working, convalescing, during season changes and in case of stress.

HOW TO USE IT

1 sachet a day, in the morning on an empty stomach or when needed, on its own or diluted in another liquid.

WHAT IT CONTAINS

Fruttoligolisato® (concentrated Date juice, concentrated Aronia juice and Rice germ juice), Royal Jelly and Rodiola, Ginkgo biloba and Maté extracts.

NOTES

No gluten or lactose. Without preservatives.

Fruttoligolisato®, the heart of EnerPlus, is a balanced mixture of Aronia, Date and Rice germ juices

particularly rich in phytonutrients. Rice germ, produced in Lessinia National Park (Italy) using controlled temperature spring water, is rich in micronutrients; concentrated Date juice is obtained from the fruit of this plant from Mediterranean Africa, while the concentrated juice of Aronia, a plant originating from North America with deep purple fruits, is useful as a tonic and to boost the natural body defenses.

Read the instructions on the package.
