8.00 EUR

Eudigest Infusion is pleasant to sip after meals for a relaxing moment of wellbeing. It contains Ginger, Pineapple, Green Anise, Mint, and Mediterranean Fennel essential oil. Pineapple promotes the digestive function. In addition to helping digestion, Fennel, Anise, Mint, and Ginger promote the elimination of gas, which causes annoying abdominal bloating.

## WHEN TO USE IT

It can be used in the event of bloating and indigestion.

## HOW TO USE IT

Pour into a cup of boiling water, soak the filter and leave it to infuse for 5-10 minutes. We particularly recommend taking it after meals.
