

Migralen

10.00 EUR

12 SUBLINGUAL SACHETS

Migralen is an original formulation containing Parthenium, Melissa, Chaste tree fruit, Cola and Ginger plant extracts as well as vitamin B2. Vitamin B2 is involved in many physiological processes of the nervous system, while the Ginger and Parthenium extracts help to fight localized stress.

WHEN TO USE IT

For fast relief from troubles due to physical and nervous stress. Useful also in case of discomfort caused by physiological situations (for instance during the premenstrual period).

HOW TO USE IT

Dissolve the content of a sachet under your tongue; if necessary, repeat the process after 1-2 hours.

WHAT IT CONTAINS

Vitamin B2, Parthenium, Cola, Chaste tree fruit, Melissa and Ginger extracts.

NOTES

Gluten free. Lactose free. Suitable to vegans.

The sublingual absorption formula helps to reduce the sense of discomfort in a short time. Read the warnings on the packaging.
